

The Canine Club Daycare Information Sheet (Client Copy)

1. Please call The Canine Club (440-324-2005) at least 5 minutes prior to picking your dog up from daycare. This helps us to have them ready when you come to get them and makes the go home rush smoother for everyone.
2. When dropping off and picking up, please only one family at a time in the office area. It reduces the congestion and makes things less chaotic. You are more than welcome to wait outside, or if the weather is poor to wait inside your car. Please be courteous of the line and let those that were here before you go in first.
3. Please do not approach the fence. It gets the dogs overly excited and they can injure themselves trying to climb over one another trying to say hi to you.
4. Please make sure your dog has a flat collar or harness to wear while in daycare. For the safety of your pet, choker chains and pinch collars are not allowed in daycare. Dogs are also required to be leashed at all times when not in daycare.
5. Please provide updated vaccine records when your pet visits the vet for his/her yearly boosters. We do have a fax machine and would be happy to call your vet and have your records faxed! Just let us know!
6. If you would like your dog to have a bath or groom while at daycare please schedule ahead of time to guarantee your appointment. If you would like a same day appointment we will do our best but may be unable to fit your pup in. If this is the case we would be happy to schedule you on a different day!
7. We recommend that your dog attends daycare at least one day per week to keep up their social skills.
8. Dogs over one year of age must be spayed/neutered in order to attend daycare.

Daycare Prices:	Full Day	Half Day
1 Dog:	\$25	\$15
2 Dogs:	\$40	\$25
